Dear Mr. McGlasson:

Thank you for your letter of 10 July 1978 to Admiral Turner inviting this Agency to submit a nomination for the fourteenth Annual Federal Records Management Awards Program.

We are appreciative of the opportunity to recognize those persons whose efforts contribute significantly to improved efficiencies and reduced costs in Federal records management activities. After a thorough review of possible candidates, it has been determined that we will not submit a nomination this year. Please be assured of our continuing interest in this worthwhile program and we will look forward to receiving your invitations in the future.

Sincerely,

F. W. M. Janney
Director of Personnel
